

## **Program Interns for Education**

### **Who are we?**

Friends of HOPE is a non-profit organization dedicated to improving educational and professional opportunities for all in the Philippines. It is the sister organization of a company, Generation HOPE, which has a portfolio of consumer products that reinvest in the Philippines. Our flagship product is a purified bottled water under the brand "Hope in a Bottle" (HIB). 100% of the profits from HIB sales are donated to Friends of HOPE, which uses the funds to build much-needed public school classrooms across the Philippines.

Together, Friends of HOPE and Generation HOPE seek to empower consumers to make choices with their purchases that can change our country for the better. Join us on our quest to show the world the power of private companies that act in the public service.

### **Who are we looking for?**

We are looking for creative, innovative, collaborative, and problem-solver interns who are excited about to work independently in a fast-paced and entrepreneurial environment.

- Excellent track record of academic achievement, and/or proven record of leadership in school or through extracurricular activities
- Demonstrates exceptional analytical and quantitative problem-solving skills
- Go-getter and collaborative

### **The opportunity:**

As a Program Intern for Education, you play a critical role in linking the business and non-profit elements of our business model. You will be responsible for managing all aspects of our Classroom Building. You will be expected to:

- Manage the end-to-end classroom building process, delivering quality classrooms efficiently and within budget
- Build and maintain relationships with contractors and suppliers
- Manage key stakeholders, including ensuring donors and partners are updated on the progress of ongoing builds
- Provide operational and administrative support for our range of social investments

Candidates must be taking up Civil Engineering, Education, Business Management, or any related courses.

This is a remote internship and will be working with the team based in the Philippines.

For interested applicants, you may email your CV / resume to [internships@generationhope.ph](mailto:internships@generationhope.ph).
