

MANAGEMENT TRAINEES (2)

About PCX

Plastic Credit Exchange (PCX) is the world's first global non-profit plastic offset program. Founded in the Philippines, PCX partners with sustainability-conscious businesses around the world to responsibly offset their plastic footprint and reduce the flow of plastic waste into our landfills and oceans.

PCX has built a broad and growing ecosystem of carefully vetted collaborators that recover, process, and recycle plastic waste while continuously seeking out innovative, environmentally sound solutions for plastic waste reduction. PCX also supports environmental protection with programs that improve livelihoods and scale up social impact.

About the Role

PCX's Management Trainee Program is an intense 2-year program that aims to accelerate the career development of fresh graduates or early-career talents.

You will receive coaching from passionate mentors, training and learning materials covering various functions, and handling special projects for PCX. You will also receive training or mentoring from industry experts that will provide invaluable lessons in different stages of the program. Most importantly, you will directly impact PCX's mission of making plastic neutrality a reality.

Plastic Credit Exchange is looking for Management Trainees (MT) to handle the organization's day-to-day supply chain and logistics, and operations departments.
